Young-Entrepreneurs Training

FUTURE ENTREPRENEURS

Techie Youth goes into orphanages and schools around Nigeria, sharing tech and entrepreneurship skills with the kids.

It is always amazing to see their eagerness to learn and dream big.
We are proud to be planting seeds of innovation and hope!

Techie Youth

Young-Entrepreneurs Training

Techie Youth Young-Entrepreneurs Training is provided on-site at orphanages and schools in impoverished regions of Nigeria, Africa.

Our curriculum is designed for youth, in an accelerated-learning pace that rapidly teaches the fundamentals of business in a kid-friendly format.

***Give a man a fish and he **eats** for a day.
Teach a man to fish and he **eats** for life...***

Techie Youth in Action!

Techie Youth Young-Entrepreneurs Training
1,000+ youth trained in 2024 & **3,000+** in 2025!

TECHIE YOUTH

Young-Entrepreneurs Training

Our Techie Youth Young-Entrepreneurs Training teaches teens and kids how to start and operate a business, focusing on leadership skills for managing tech-startups.

We aim to empower young minds with digital skills and entrepreneurial knowledge, leading to their self-sufficiency.
